Re: Unauthorized Use of Sony Music Publishing Musical Works

Dear Ms. Yerrace:

I write on behalf of Sony Music Publishing (US) LLC and its affiliated music publishing companies (collectively, “SMP”) concerning the use of SMP’s musical works by Designer Brands Inc. (“DBI”).

SMP is the world’s number one music publisher, and home to the compositions of some of the world’s greatest songwriters including Beyoncé, Lady Gaga, Miley Cyrus, and Olivia Rodrigo (the “SMP Compositions”).

It has come to our attention that DBI is unlawfully exploiting SMP Compositions on social media platforms, including Instagram, Pinterest, TikTok, and YouTube, using DBI’s social media accounts (the “Accounts”), on those platforms in violation of SMP’s rights. Attached as Schedule A is a non-exhaustive list of SMP Compositions being exploited by DBI without authorization (the “Infringed Works”).

DBI’s unauthorized reproduction, distribution, and other exploitation of SMP Compositions constitutes, *inter alia*, copyright infringement, misappropriation, and unjust enrichment under federal statutory law, state statutory law, and/or state common law. Moreover, the extent of infringement on the Accounts establishes that it was knowing and intentional. This activity carries liability for SMP’s actual damages plus any additional profits DBI received from

the infringement, or statutory damages as a result of DBI's willful infringement, in addition to attorneys' fees and costs incurred to enforce these rights, pursuant to 17 U.S.C. §§ 504 and 505.

Please contact us immediately to discuss these infringements. SMP considers widespread copyright infringement at this volume to be a very serious matter. To the extent that DBI does not cooperate with the demands below, SMP is prepared to fully enforce its rights.

We ask that DBI promptly provide us with written confirmation that it will comply with the following:

1. Cease and desist from further unauthorized reproduction, distribution or performance of materials that infringe SMP Compositions and *preserve copies of all videos (including metadata) and accompanying social media posts*;
2. Provide SMP with documentation of licenses, agreements, and/or other authorizations, if any, by or pursuant to which you claim any right to exploit the Infringed Works; and
3. Cooperate with SMP to generate and disclose a full accounting of all unauthorized uses of SMP Compositions by DBI, including all data concerning the use and related benefits and all licensing fees, payments, or commercial arrangements and respective proceeds, in order to identify the full scope of unauthorized copying and the appropriate compensation due for past uses.

Please confirm to us in writing by close of business on June 11, 2025 that you understand SMP's demands and intend to comply with them. We will need to discuss the amount due to SMP to compensate it and its songwriters for the infringing uses described herein. SMP also requests that DBI execute a tolling agreement to preserve the status quo and enable the parties to explore an amicable solution. Enclosed please find a draft for you to review.

The foregoing is not intended as a comprehensive statement of SMP's rights or positions, and nothing herein shall be deemed to be a waiver of any such rights at law or in equity. SMP expressly reserves all equitable and legal rights and remedies, including without limitation, to injunctive relief, enhanced damages, and attorneys' fees, and to take all steps necessary to protect its valuable intellectual property rights.

We appreciate your prompt attention to this matter.

Very truly yours,

David J. Przygoda
